

# Blueprint for the Globe: Architecting Your Ideal Journey

## Purpose

To help IDs decide if an Open Educational Resource (OER) is legally usable and enhances the learning experience.

## Evaluator's Name:

## Date:

## Link to OER:

## License

Is the license still Valid?  
(refer to [The Creative Commons Licenses](#))

Is the license a Copyright or a Creative Commons license?

## Accessibility/ADA Compliance & Inclusivity

Can all learners access the material that allows them to learn? How?

A large, empty rectangular box with a light gray background, intended for a response to the first question.

Are there other versions of the resource for alternative learners?

A large, empty rectangular box with a light gray background, intended for a response to the second question.

---

## **Relevancy**

Is it clear who the target audience is? If not, then how can it be clearer?

A large, empty rectangular box with a light gray background, intended for a response to the first question under the 'Relevancy' section.

How is the material relevant to a course module objective? Which module?

A large, empty rectangular box with a light gray background, intended for a response to the second question under the 'Relevancy' section.

How is the material  
engaging?

A large, solid grey rectangular area intended for a user to provide a response to the question about the material's engagement.

Is there an area to leave  
comments or feedback?

A large, solid grey rectangular area intended for a user to provide a response to the question about leaving comments or feedback.

---

**Quality**

Does the media have spelling  
or grammar errors?

A large, solid grey rectangular area intended for a user to provide a response to the question about spelling or grammar errors.

Is the layout of content and  
activities easy to follow  
and/or navigate?

A large, solid grey rectangular area intended for a user to provide a response to the question about the layout of content and activities.
